The mentioned service refers to the shipment of goods (parcels) from Romania, to Romania or the mentioned European destinations, the transport of these shipments by road and their delivery with the collection from the recipient of the amounts indicated by the sender. The shipment will not be delivered when the recipient does not pay the amount due by the sender. The amount of the refund is indicated in the currency of the destination country and is transferred in this currency or converted upon request. The transit time is informative and can be affected by external factors.

Weight - the greater of the volumetric weight / weighed weight is invoiced
Volumetric Weight - $(L \times W \times H) / 5000 = \text{Volumetric Weight}$ (dimensions in cm.)
Return - for return, the same rate invoiced for the initial shipment is applied.
Fuel charge - valid on the web page <https://www.tcecourier.com/fuel-charge>
Invoicing - RON at the BNR exchange rate from the day of invoicing
Transit Time - transit time is indicative and is expressed in working days
Payment - can be approved by direct payment or compensation from the COD's
